

Terminal blocks

to 711401

 Type 092 page 73

 Type 093 page 80

to 711047

 all terminal blocks

 with centerline
5 mm / 0.197 in.
and centerline
5.08 mm / 0.200 in.

711401

Cover for the lower circuit range of the Type 092 and 093. Provides additional protection against manual contact of the upper circuit line.

711047

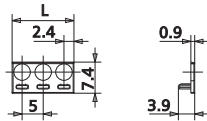

The jumper may be used for all terminal blocks with centerline 5 mm / 0.197 in. and 5.08 mm / 0.200 in.

Dimensions in mm

1 mm = 0.0394 in.

Dimensions in mm

1 mm = 0.0394 in.
